## **DETAILED ACTION**

### ***Remark***

1. Claim 1 has been canceled; and claims 3-4 are pending for reconsideration, and claims 2, 5-8 and 9-13 are allowed in the previous office action.

### ***Allowable Subject Matter***

2. Claims 2-13 have been allowed.

### ***Reasons for Allowance***

3. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest a mobile communication terminal with a third detection means together with two other detection means as cited for detecting a difference between a reception quality detected by the first detection means and the second detecting means, wherein the first detecting means for detecting a reception quality of the radio signal from an active base station in the wakeup period and the second detecting means for detecting a reception quality of the radio signal from the neighboring base station in the wakeup period as called in claim 2 and the wake up technique as cited in claim 3, and similarly with further features of third and fourth setting means as cited in claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
